Weistec Engineering performance upgrades may be used solely on vehicles used in sanctioned competition which may never be used upon a public road or highway, unless permitted by specific regulatory exemptions. For state specific details please visit the following website. <http://www.semasan.com/emissions>. It is the responsibility of the installer and/or user of the product to ensure that it is used in compliance with all applicable laws and regulations. If a product was purchased in error, do not install and/or use it. The purchaser must arrange to return the product(s) for a full refund. This policy only applies to installers and/or users who are in the United States. Customers who reside in other countries should act in accordance with their local laws and regulations. All performance modifications and installations are at the customer's own risk. Weistec Engineering holds no responsibility either implied or otherwise for mechanical, electrical or other failure when using any aftermarket performance products.

Signing below acknowledges that any not street legal parts are being installed for off road, race only applications**Weistec will only calibrate stock ECUs due to liability. If a previous tune has been installed in your ECU,****it will need to be returned to stock by the tuner or dealer prior to sending to Weistec.**
